**Pennsylvania Voice Applauds Governor Shapiro’s Proposal for Fair, Free, and Secure Elections**

**HARRISBURG-** Today, Governor Josh Shapiro, as part of his 2024-25 budget address, proposed including substantial funding to ensure that our elections will remain secure and to communicate accurate information about elections to Pennsylvania voters. If you are covering this, please feel free to use the following quote, attributable to Salewa Ogunmefun, Executive Director of Pennsylvania Voice.

“We appreciate that Governor Shapiro recognizes the need to combat election-related disinformation and make sure that all Pennsylvanians have accurate information about our election processes. We look forward to working with him to secure this funding, and to enact other meaningful election reforms, including same day voter registration, and early in-person voting.”
